

## Application

Engineered to land FTTH terminations as conveniently as possible, the CraftSmart Deploy Reel TAP is optimized for delivery of FieldShield® FLEXdrop® via a FLEXdrop Deploy Reel. The lockable enclosure is curved, making it ideal for a variety of cable applications, including our small form factor (SFF) drop cable when entering the box. Up to 50 feet of SFF can be easily stored.

## Description

The CraftSmart Deploy Reel TAP offers single count fiber deployment in a discreet footprint and without sacrificing proper fiber management. The CraftSmart Deploy Reel TAP is designed to make FTTH more cost-effective and efficient than previously thought possible. Standardizing on a craft-friendly, building block architecture reduces the operating costs of fiber deployments by reducing installation times and inventory carrying requirements.

## Features and Benefits

### Integrity

- UV Stabilized
- Designed specifically to house the FLEXdrop Deploy Reel
- Deploy Reel mounting plate included with box

### Protection

- Two positions for splice sleeve
- Includes SC/APC adapter
- Ground lug can be ordered separately

### Access

- Mounting plate accepts the deploy reel mounting pin
- Box is easy to install with both internal and external mounting holes
- Two bottom entry/exit points utilizing multifunctional gaskets

### Investment

- Holds up to 100 feet of FLEXdrop on Deploy Reel
- Surface- or pole-mount capable
- Flame retardant PVC for durability

## Technical Specifications

CraftSmart Deploy Reel TAP	
Dimensions	11.47" H x 9.28" W x 2.98" D (291.34 mm H x 235.712 mm W x 75.69 mm D)
Color	Gray
Material	UV Stabilized, Flame Retardant Polycarbonate
Adapter Style Receptacle	SC/APC
Port Count	1
Seals	Rubber Membrane Grommet (2)
Mounting Options	Wall or Pole Mount

### Pre-Configured Part Numbers

Part Number	Description
FDRH-CDR2-GGZG-NRF	Deploy reel kit, includes Deploy Reel TAP Wall Box, FLEXdrop riser black 3mm, Deploy Reel loaded with SC/APC adapter and simplex SC/APC to pullable SC/APC 50 feet (narrow width, opposite spooling), Deploy Reel Mounting Plate with SC/APC adapter, left and right grommet
FDRH-CDR4-GGZG-NRF	Deploy reel kit, includes Deploy Reel TAP Wall Box, FLEXdrop riser black 3mm, Deploy Reel loaded with SC/APC adapter and simplex SC/APC to pullable SC/APC 100 feet (narrow width, opposite spooling), Deploy Reel Mounting Plate with SC/APC adapter, left and right grommet
FDRH-CDRW2-GGZG-NRF	Deploy reel kit, includes Deploy Reel TAP Wall Box, FLEXdrop riser white 3mm, Deploy Reel loaded with SC/APC adapter and simplex SC/APC to pullable SC/APC 50 feet (narrow width, opposite spooling), Deploy Reel Mounting Plate with SC/APC adapter, left and right grommet
FDRH-CDRW4-GGZG-NRF	Deploy reel kit, includes Deploy Reel TAP Wall Box, FLEXdrop riser white 3mm, Deploy Reel loaded with SC/APC adapter and simplex SC/APC to pullable SC/APC 100 feet (narrow width, opposite spooling), Deploy Reel Mounting Plate with SC/APC adapter, left and right grommet
