

GOOD NEWS!

You decided on your broadband deployment for 2021.

Labor and MATERIAL SHORTAGES can delay your revenue streams.

BAD NEWS!

THAT MEANS:

Lead Times on fiber connectivity products are MISSION CRITICAL

CLEARFIELD can help with the SHORTEST LEAD TIMES in the industry

On average, Clearfield's competitors exhibit lead times of **27 WEEKS OR MORE.**

At Clearfield, we deliver most products within **3-4 WEEKS**, delivering significant benefits to your network deployment.

DON'T

let your supply chain be your bottleneck.

At Clearfield, our customers experience this difference every day.

See how CLEARFIELD can help you WIN BIG with on-time deliveries.
